A MESSAGE FROM YOUR FEDERATION CHAIR

I can't quite believe that the clocks are changing, the dark nights are really starting to draw in and Christmas is looming large.

It has been a really busy month for the Trustees team as we made preparations to open a new WI in Cobo.

We had the opportunity to meet some prospective members during a couple of coffee mornings at the Cobo tea rooms, who were interested in forming a committee and hey presto the 'Go Guetters WI' was formed but more on that later.

St Johns quiz night and the Bailiwick Belles Bonanza were both successes with the Arts and Homecrafts foam flower course topping off a busy month.

Thank you to all those members who completed our AGM survey. The feedback has been really useful and we are pleased that the results show you really like the new format. We shall be starting to arrange next years event and ask that anyone who can help please put yourself forward as this is a big event and needs lots of help to pull it all together!

I would like to congratulate La Mare de Carteret WI who have celebrated their 50th year anniversary this month.

I shall be away on holiday from 19th November for a month so need to put the December issue to bed early. Please send any items you wish included straight after your meeting.

'GO GUETTERS WI' – GUERNSEY'S NEWEST WI

The weather was ominous on 21st October in the morning, but the evening was beautiful and this set the tone for when 50 women descended on the Cobo Community Centre for the formation of Guernsey's newest WI.

After lots of Facebook advertising as well as banner adverts in 'The List' plus a 'suggest a name' promotion, the interest exceeded our expectations.

It was a pleasure for Island Chair Corrina Walker to introduce Megan Hall (right) and Selina Moodliar (left) who are taking on the roles of Joint Presidents and have great ideas and lots of enthusiasm for this new venture.

After initial introductions and a little information about the WI, guests had the opportunity to make a gift card. It was then

time for the main attraction of selecting a name.

Everyone who came along voted for their favourite name from the 40 that had been suggested by islanders. This was whittled down to the top five.

34 new members signed up on the night along with 3 dual members and voted 'Go Guetters' WI as their name. It was a really close call as there was only one vote between that and Cobo Alice WI.

Fran Torode suggested the 'Go Guetters' name and a bottle of champagne is winging its way to her as winner of our name competition.

With established members on hand to answer any questions the 'Go Guetters' enjoyed a fun and friendly evening - with many more to come!

Congratulations ladies you have joined our WI family here in Guernsey.

FOR THOSE WI'S WHO WISH TO SUPPORT THE 'GO GUETTERS' WITH A DONATION, PLEASE MAKE PAYMENT TO 'GIFWI' AND SEND TO ROSE, OUR ISLAND TREASURER.

NEWS FROM WI'S

CATEL WI

In October Castel WI welcomed Anne Kinch, her subject was Eating for Health. Eating well helps you to manage to stay well, manage your health, weight, wellbeing and to eat according to the different stages of life. Women need at least 2000 calories a day. When looking on packages in the aisles when shopping look at the per 100g column and the sugar intake, it should be less than 10g for healthy eating, it's amazing what you think might be healthy isn't. Supermarkets have a way of making items appear appealing, with bright colours and bold lettering, those at eye level will be the well named brands and are aimed at adults, those on the lower shelves, especially chocolate related are at the eye level for children, no surprise there. Whatever you wish to eat though exercise is important, even if it's just a few minutes a day.

MARE DE CARTERET WI

La Mare de Carteret WI on tour (again!)

On Monday 16th September our intrepid travellers took off again on another extravaganza to the UK. Following last years successful trip, courtesy of the West Yorkshire WI Federation, this year it was the turn of the Gloucestershire WI Federation to organise and invite other WI's on a four day visit to the Cotswolds. Staying at a beautiful four-star hotel just outside Gloucester, we were taken to a number of places of interest including the beautiful Gloucester cathedral, Beckford Silk Farm, Cirencester, the Cotswold Farm Park, that is featured on the BBC Countryfile programme and Chevanage House, where programmes such as Poldark and The Famous Five have been filmed. Whilst at the Cotswold Farm Park, not only did we see our famous Royal Guernsey Goats, but also by chance some of us were lucky enough to meet and have our photo taken with Adam Henson. A lovely week away that coincided with beautiful weather.

MARE DE CARTERET LIBERATION BUNTING

Another group took on the task of putting bunting together for the Liberation Bunting project. We look forward to seeing them next year flying high.

50 YEARS AND COUNTING - CONGRATULATIONS

La Mare de Carteret celebrated their 50th Anniversary this October with a special celebratory cake and bubbles.

They will be continuing their celebrations with a meal out as well.

BAILIWICK BELLES WI

BBWI decided to support Pink Ladies with their fundraising as breast cancer has affected several members of the group directly and their loved ones.

The Bonanza saw a lot of people on the day – there was a queue around the building before the doors opened.

A BIG thank you to everyone that supported by donating items and coming along on the day. The refreshments included lots of delicious cakes made by BBWI members and the raffle stall was particularly busy!

A total of just over £500 has been donated to Pink Ladies to help purchase medical equipment and items, to support local ladies undergoing breast cancer treatment such as drip bags, wigs and prosthetics and they also donated a 42" TV for the Pink Ladies annual raffle.

FOLKLORE TALES

BBWI had a talk this month on Guernsey Folklore with Jo May (an accredited Tour Guide). Such an interesting talk on the history of witches of the Island & and how witchcraft was used.

Amongst the tales, the group heard about Aimee Lake who was the last witch to be captured in 1914, with the death penalty by burning at the stake. As it was no longer in place she was imprisoned for 8 days.

The group also learned about the myth of the origin of the streams & fountains of Guernsey. St Patrick & St George wanted to both live in Guernsey so they fought for the right. St George drove a stake into the Ground and the Island was gifted streams. St Patrick removed all the nasty venomous spiders and snakes and took them to Jersey – Who knows how true this is.....

One of the highlights was a Folklore Poem of the ladies of the Parishes (just a bit of fun!)

A Folklore Poem:- *The Parish Maidens*

The Town girls
Aren't they handsome!
The girls from St Sampsons
Fine to go sand-eeling with
The girls from the Vale
Always ready to tease
The girls from the Castel
Always ready for laughter
The girls from St Saviours
Are always in good mood
The girls from St Peters
Ah, they are always crying
The girls from Torteval
Truly they have horses feet
The girls from the Forest
My! They are ugly
The girls from St Martins
As stupid as rabbits
The girls from St Andrews
Will always be left on the shelf!

BBWI BONANZA

ST JOHN WI

For St John's October meeting, they had a talk from the Guernsey Welfare service. It was very interesting to learn about all the different services that are offered to the community.

St John also donated a very large amount of groceries to this very good cause.

Can't be a WI meeting without Tea & biscuits!

ST JOHNS QUIZ- WINNERS

And the winners are: Team **'Are we there yet!'**, made up of Fran Torode, Claire Raines, Liz Daish and Joyce Du Port. There was a fantastic raffle and an excellent quiz run by Ali Amy.

GYWI

GYWI held their AGM. Tania Bodsworth (above right) was thanked by all present for agreeing to be their President for another year!

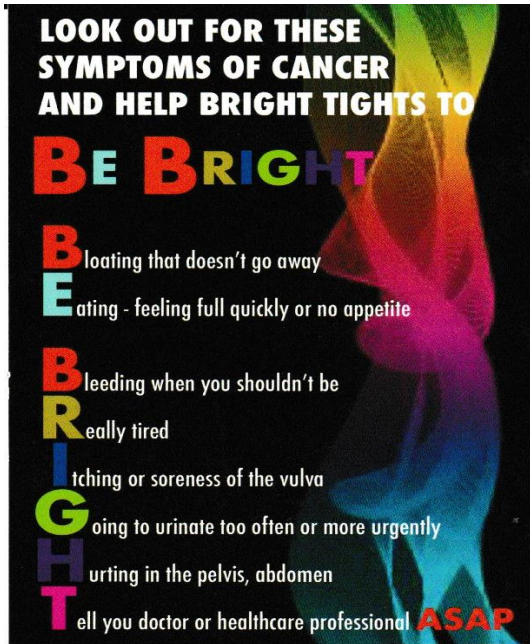

SAUSMAREZ WI

Jo Le Noury from the Charity Bright Tights came to speak to Sausmarez WI about gynaecological cancers at their October meeting.

Although it could have been a very sensitive topic she made it fun and a lively discussion ensued.

Members even donned bright tights for the evening.

SAVIOURS WI

Their monthly meeting saw Tim Slann, R.N. Retired, give members a fascinating talk and slide show about his life in the Royal Navy up to and including his time in the Falklands War. He also spoke about his return to the Falkland Islands this summer to visit the locals, including the King Penguins.

ST SAVIOURS COFFEE MORNING RAISING FUNDS FOR AUTISM GUERNSEY

St Saviours W.I also held a coffee morning on Saturday 19 October at the home of Pat Swash in support of its charity of the year, Autism Guernsey.

A cheque for £200 was handed to Maryke and Jenny from the charity.

NEWS FROM THE TRUSTEES

YOUR FEEDBACK COUNTS – THE RESULTS OF OUR AGM SURVEY

Thank you to everyone who completed the survey – we had 78 responses with the overwhelming feedback confirming you really like the new format.

20 members had not attended the new format with the majority stating either they did not want to attend a whole day event or it was on an inconvenient day/time. We are therefore looking at various options and may well alternate between a full day and evening AGM going forward.

The overall enjoyment score was 4.6 out of 5 with 55 members stating it was good value/ happy to pay more.

Some of the comment we received.

Maybe shorter- but I think that might affect what can be fitted in

More involvement from other WI's

Make them shorter or change to an evening

Enjoy the interactive activities

The arts and crafts (in 2022) were good

More crafts to take part in

A 'star' speaker, maybe every 3 years or so which would be a huge attraction, but not as costly as doing annually.

Name tags. A bit tribal I know! But helpful

OTHER NEWS

CAN YOU HELP AT THE SALVATION ARMY CAFÉ IN ST SAMPSONS

Joyce du Port (Trustee and President of St Johns WI) regularly volunteers at the café and they are in need of help!!

Particularly on a Tuesday, but other days too. It would be great to have the extra help and great fun at the same time.

Please contact Joyce on 07781 435100 or joyceduport@gmail.com for details

A MESSAGE FROM YOUR FEDERATION CHAIR

Well summer is really over and I can't quite believe that Christmas items are creeping into the shops already.

I certainly am thinking about what winter crafts I will be doing, having already signed up for the Dorset buttons course. If you need inspiration have a look at some of the crafts on offer during the **Christmas Craft Day on 7th December**. Book early to ensure you nab one of the limited places.

I was so pleased to hear that St Johns, St Martins, Bailiwick Belles, Vale and GY had visitors in September. With new members signing up.

The Federation have been working hard to start a new WI in Cobo in October and we have run two facebook ads over the past two weeks reaching over 10k women on island. Our 'Suggest a Name' advert was picked up by The Guernsey Press and we now have about 30 different suggestions for a name. It's not too late to enter!

Thank you to those members who completed our **AGM survey**, we have received about 80 responses and will be collating the feedback with an update next month.

Congratulations to Rose Polli for setting up the Silent Book Club, which was well attended in September and looks to be a monthly fixture going forward.

The darts season has started again and congratulations to Wendy from St Saviours who scored a whopping 130.

WI is looking to name its new centre at Cobo

A new Women's Institute centre will shortly be opening at Cobo Community Centre. Guernsey Federation chairwoman Corrina Walker is pictured. (Picture by Peter Frankland, 33613182)

A NAME is being sought for the new Women's Institute centre which will shortly be opening at Cobo Community Centre. Traditionally names for the centres would reflect the location of the centre in such as St Martin's WI or St Austere WI. It currently has nine centres with 276 members in Guernsey. Guernsey Federation chairwoman Corrina Walker said that women now wanted their WI name to be fun, to reflect its members, their talents and how they want to be perceived. All WIs are different and unique and their name should re-

fect this, so we have gone out to the public to come up with some ideas for this new group, she said.

Name suggestions have included Go Guernsey, Cobo Chick, Cobo Soaps, Cobo Cookies, Smart Sisters and Cobo Alice.

"We are really excited to be starting a new WI in Cobo as it will give a new group of women, who may have previously been unaware of the organisation, the opportunity to join. "We have had lots of interest and

book forward to welcoming women from all walks of life and interests to make our Federation fun and try something new".

Ms Walker said that any person who was feeling tentative could come along for free to try it out, without any obligation.

Each month the WI will do something different.

In October it plans to give everybody a flavour of the WI, including making a chat with other women, making a gift wallet and officially making the WI.

The Guernsey local secretary maker Catherine Best will discuss her career and in December, mem-

bers of the WI will be making a fresh filling smoothie.

All cost £10000 for a six-month membership to the WI with those wanting to join requested to email info@guernsey-wi.org.uk

Likewise anybody who wishes to suggest a name for its newest centre can email the same address and include their name, with a bottle of champagne the prize.

The new centre will be open on 21 October from 1pm at Cobo Community Centre.

Further information can be found at www.guernsey-wi.co.uk

NEWS FROM WI'S

CATEL WI

Dolls were all around us for the Catel WI

With a visit from Rose Ferguson and her friends. The friends being the dolls she had been given and collected over the years. She received her first doll in the early 1950s, one of the first dolls to drink and wee, her name is Patsy. Another doll was a hand assisted walker, very advanced. A favourite doll was Elizabeth, beautiful dressed in a green knitted outfit. All of Elizabeth's earlier dolls had wonderful outfits made by her grandmother and mother. There was a collection of Cindy dolls, small dolls in national costumes and many flower fairies, I wonder if they were ever photographed at the bottom of the garden.

At one time Rose had over 500 dolls, some found at charity shops, car boot sales and donated by friends but not a Barbie in sight.

BAILIWICK BELLES WI

THE
Tumaini
FUND

BBWI had a visit from Jacky Cotterill who talked about her time spent in Villages in Tanzania with the Tumaini Fund.

The aim of the charity is supporting the HIV/AIDS widows and orphans of the Dioceses of Kagera, Lweru, Biharamulo and Kibondo in north-west Tanzania towards independent existence, by improving

standards of living and promoting health and education and working towards a self-sustainable future by growing crops and having (rearing?) chickens.

A lot of the children after education go into a trade like carpentry or tailoring.

It is amazing in this day & age that families still live in such poverty & poor conditions.

As an incentive for the evening BBWI had a goal to fundraise enough money to buy a goat. The ladies excelled themselves and raised enough for 2 goats! A goat will help feed the babies up to the age of 2 with their milk, then be able breed, to have more goats/trade sell.

SAUSMAREZ WI

The speaker for the Sausmarez September meeting was Helen Glencross who is head of Heritage Services for Guernsey. She oversees Castle Cornet, Fort Grey, Candie Museum, the German Naval Signals Headquarters, and more than 80 other

historic sites that come under the Guernsey Museums umbrella.

Her illustrated talk took us from Neolithic monuments to German fortifications and lots in between including maps of historic and German sites. It was fascinating and we all learned something new and now know lots of new places to visit.

Later the same week we held our annual **Stashbuster Sale**. Stalls laden with all sorts of craft goodies to purchase at low prices.

The tombola raised £95 for Guernsey Alzheimer's.

Lively chatter over a great selection of cakes and tea/coffee finished up the afternoon.

Thanks to the WI members who came along.

ST MARTINS WI

St Martins members were treated to an afternoon of listening to Peter Girard speaking about his Golden Guernsey Goat Herd. Members were absolutely delighted to meet **STAR** an 8 week old Golden

Guernsey Goat. She was adorable and obviously enjoyed the attention she was receiving during the afternoon.

Peter Girard spoke about the history of the

Golden Guernsey Goat, the colour, how the Golden Guernsey goat is distinguished by its golden skin and hair, the build, and the care and attention he and his family give to their herd.

Goat products are in high demand on Guernsey fresh unpasteurised full cream milk, yoghurt, goat cheese, feta in olive oil with herbs, "Chilli Billi" soft goat cheese, Garlic & Herb soft goat cheese – all available from The Goat Farm in St Peters.

ST SAVIOURS WI

At the September meeting, Cat Tyrrell gave a talk and demonstration on Henna Tattoos and her artwork.

She is very willing to talk to other groups
cathryn.tyrrell@gmail.com

ST JOHNS WI

After being let down by their speaker, St Johns enjoyed a puzzle evening where members brought games, UNO, dominoes, rummicub, beetle etc and socialised!

ST JOHNS LIBERATION BUNTING

Another group took on the task of putting bunting together for the Liberation

Bunting project. Lots of St Johns ladies have been very busy making flags at home. We look forward to seeing them next year.

This month they plan to go to China Red for an evening meal.

GYWI

10 GY members enjoyed a WHISKY tasting at GY President's home, Tania Bodsworth. Her husband Andy shared his comprehensive knowledge and enthusiasm

on all things whiskey! His side-kick/totty (in Anderson kilt) was Sue Lawrence's hubby, James. We got to taste a variety of different whiskeys from Highland, Irish & American – even Japanese to name but a few!

FUN FACT - IS IT WHISKEY OR WHISKY?

Countries that have E's in their names (UnitEd StatEs and IrEland) tend to spell it whiskEy (plural whiskeys) Countries without E's in their names (Canada, Scotland, and Japan) spell it whisky (plural whiskies)

GY LIBERATION BUNTING WORKSHOP

GY members have also been busy making Liberation Bunting with their first GY bunting making workshop, great fun and productive too

ARTS & HOMECRAFTS

SATURDAY CRAFT CLUB – 12TH OCTOBER 2024

Why not take some time out for yourself and spend one whole day a month crafting? We are at Castel Douzaine from around 9.45am – 4pm. Tea, coffee and biscuits provided, but bring along your own lunch. Cost is £15. All welcome

FOAM FORMING FLOWERS - 12TH OCTOBER 2024

NEWS FROM THE TRUSTEES

DO YOU WANT TO BECOME A WI ADVISOR?

Things have changed at NFWI and the role of an Advisor is now only to:

- Set up new WI's
- Suspend WI's
- Enlarge WI's

Long gone are the days when advisors were required to visit WI's for their Annual Meetings, or visit if there are problems. The role has been significantly stripped back.

The online training is only 3.5 hours long and everything else is locally based shadowing either Fiona McDonald or Corrina Walker.

It is a great opportunity to meet other WI members, introduce women to the organisation and learn a little more about the WI.

If you think you might be interested, please contact Corrina on 07911 733092.

JOIN THE NEW MEMBERSHIP COMMITTEE

As 2024/2025 is the year for WI Promotion in Guernsey we thought this would be an ideal time to bring back our MEMBERSHIP COMMITTEE.

We are looking for women who are keen to spread the WI word and let local women know what we have to offer. We are initially looking to meet twice a year to plan promotional activities – such as the stand at the West Show.

Please let us know if you are interested to get involved?

HEREFORDSHIRE FEDERATION ONLINE CRAFT AND CHAT

As we step into those dreary Autumn/Winter months, why not brighten your week, by starting it off with a Craft and Chat.

The Autumn 2024 Craft & Chat online series is just about to start (7/10/24) for 10 weeks. Take a look at the weekly themes, and for, less than, the cost of a shop bought coffee (!) you can be crafting along with the presenter in your own home. You will meet like-minded crafters for a chat and a laughter.

The link below will provide you with details of the exciting sessions on offer and booking instructions. All sessions will be run online using MS Teams.

OUR HISTORIC PAST

DONATION OF HIGH FREQUENCY CASSETTE PLAYER IN 1972

In 1972 the Music & Drama Committee presented a High Frequency cassette player to the Guernsey Unit for Deaf Children which emitted high frequency tones. The cassette player was purchased with jumble sale money raised by Guernsey's WI Choir.

How technology has moved on!

They also donated a Ripple bed to St Peter Port Hospital in 1969 and a Talking Book machine for the blind in 1970.

W.I.s help the deaf children

A young child wearing headphones is shown in profile, looking at a high-frequency cassette player on a desk. The child is wearing a striped shirt. The cassette player is a white, boxy device with a cassette slot and several buttons.

THE music section of the Guernsey Federation of Women's Institutes recently has presented a cassette player to the Guernsey Unit for Deaf Children. At this unit, high frequency tones are used as a teaching aid for those children who are unable to hear the normal tones of everyday life. The cassette which has been presented to the centre emits these high frequency tones and this will enable a child to study in the environment of his own home. A jumble sale provided the funds for this valuable piece of equipment—yet another example of the benefit which can be derived from hard work, gentle persuasion and other people's cast-offs. Picture shows Shane Cotter listening attentively to the high frequency cassette player.

Talking Book gives a new interest

IN a comparatively short time, Mr W. R. Symons, of Carmel, St Martin's, has had to learn to cope with a world of blindness. Last year Mr Symons was another blind person to become a member of the Royal National Institute for the Blind Talking Book Library. For this he and his wife are most grateful. The music sub-committee of the Guernsey Federation of Women's Institutes, the chairman of which is Mrs F. Corbin, raised some money by means of a jumble sale, and made a donation to the Guernsey Association for the Blind in favour of the Talking Book Library. When the machine arrived it was sent to Mr Symons. Cdr. H. J. P. Crousaz, of the G.A.B., wrote to Mrs Corbin, thanking her committee for their interest, saying that Mr Symons would be pleased to meet W.I. representatives should they care to call and see him with the machine. This they did a few evenings ago and photographer Brian Green was there to record the scene. With Mrs Corbin and some members of the music sub-committee was the Island Chairman, Mrs C. Long. At the photograph by Brian Green shows Mr Symons at his home with the Talking Book which is giving him a new interest. Mrs Corbin sits beside him. D.D.

A MESSAGE FROM YOUR FEDERATION CHAIR

Well, what a busy July/August it has been.

This month's issue is a bumper one as you have all been out and about so much. I am pleased that most WI's have contributed to this issue as it is good to hear from all of our WI's.

We have had the King's Visit (doesn't it seem a long time ago!) More on that inside.

Our promotion activities have been in full swing as we exhibited at the West Show, with lots of women coming up for a chat. I hope to see this translate into more visitors to the various meetings in September and October – looking to learn more about the WI.

MEMBERSHIP SUBSCRIPTION

In Guernsey we offer prospective members the opportunity to try a WI FREE of charge for the first meeting and they can try up to 3 different WI's in total without paying (not 3 free meetings at the same WI).

The Subscription rate from 1st October – 31st March 2025 is £24.

As September approaches, I am pleased to announce the darts season will start again. There is the ever popular Sausmarez stashbuster

coming up, as well as a number of Arts and Homecrafts courses.

Finally, the trustees have sent out a questionnaire, regarding the AGM format and we ask that you complete it – even if you have never attended over the past three years since the new format AGM was introduced.

I hope to see you all soon at a WI event.

Best wishes

WEST SHOW WI PROMOTION

Guernsey WI had a stand at the West Show on both days, and met lots of women who had either never heard of us or that we just baked and sang Jerusalem all the time!

Our aim was to promote each of our unique WI's and tell the WI story.

90 ladies have signed up to our emailer and we shall be sending out information throughout the year.

In addition, we had a fabulous raffle to draw the public over to the stand and raised £540. We shall be using some of the money raised to have speaker evenings on Violence Against Women in Guernsey in support of our resolution, as well as the recent symposium in Guernsey on the subject.

Lots of ladies took information away with them and we have promoted your September meetings to all those who signed up. Fingers crossed you have some visitors in September.

Here is an example of the leaflet we produced for each WI.

CONGRATULATIONS TO JENNY RICHMOND AT THE WEST SHOW

Congratulations to Jenny Richmond from St Saviour’s WI on winning FIRST in the LEMON CURD category at the West Show this year.

KING CHARLES III VISIT AND THE FOUL WEATHER PLAN

On Saturday 12th July we had a surprise call from Government House regarding the programme for the Royal Visit of His Majesty King Charles III and Her Majesty Queen Camilla to Guernsey on Tuesday 16 July 2024.

It was all very top secret as they put in place the FOUL WEATHER PLAN.

In that plan, 25 WI members would be invited to watch the unveiling of the plaque, which would be moved to Beau Sejour, and meet the King and Queen.

We then received the message below:

‘Please keep this information to a very small number of people in the centre of your organisation for now, on a need to know basis. It is requested that your first response confirms whether your organisation would want to be involved in the way outlined below.’

Of course we went straight back and said ‘We would love to’!!

It was late on Sunday evening when it was decided to go with the original plan. As the weather forecast had changed we were asked to step down.

It was a fantastic day and great that so many were able to meet their Royal Highnesses.

Although we have to admit I had hoped for rain!

NEWS FROM WI'S

BAILIWICK BELLES

The Bailiwick Belles have moved their year-end to July, so it was their Annual Meeting with a darts practice. In addition, the Bailiwick Belles Bake Off took place, with members bringing in a selection of desserts and cakes to try.

Julie Wilkie won the coveted 'Bake Off Spoon' with her profiteroles with Mel Robert and Tracy Giles runners up.

BBWI VISIT THE GUERNSEY DAIRY

Carolyn Way organised a trip to the Dairy and with so many wanting to come along, we had to split into 2 groups. After donning our dairy outfits, we had a comprehensive tour in what they call a 'micro dairy'. We were surprised and delighted to

receive a goody bag of different cheeses before we left.

BBWI & THE SAUSMAREZ MANOR GHOST TOUR

Not happy with just one outing in the summer, BBWI had a tour of Sausmarez Manor learning all about the ghosts that resided there. After all of the spooky tales, they relaxed in the gardens with refreshments and cakes.

SAUSMAREZ WI

Sausmarez WI enjoyed learning to paint using a technique led by Sarah Plumley at their July meeting.

ST SAVIOUR'S WI

St Saviour's decided on a relaxing BBQ with swim for their August outing, with a dip and dine at 'Beau Vallon'. The weather was great, as was the company and the food.

GYWI – RAISING FUNDS FOR THE BLIND ASSOCIATION

Adding the FUN to FUNdraising, GYWI member, Michelle Spittal opened the doors of her conservatory (after the heatwave time for the rain!!) to welcome 12 other members of the GYWI. Aply

assisted by her Sous Sandwich chef, Sue Patch.

Michelle hosted, along with contributions from all GYWI attendees, an Afternoon Tea to rival that of any 5-star hotel!

The afternoon included a tour of the garden (during a brief respite from the rain), giving everyone the

opportunity to work up another appetite for 'seconds'. A thoroughly enjoyable afternoon so a huge

“Thank You” to Michelle for her wonderful hospitality which, thanks to the somewhat inclement weather was extended further while waiting for the worst of it to pass! And to think, Michele had initially been worried “...it’d be too sunny”!!

Sue Patch & Michelle Spittal (GYWI) went to the Blind Association and presented them with a cheque for £140.00, being the proceeds from the Afternoon tea.

GYWI - FISH AND CHIPS AT COBO WITH BBWI

GYWI organised a fish and chip evening at Cobo inviting Bailiwick Belles member to join them. It was a relaxing and fun evening and the sun was shining.

ST JOHN’S WI – ALL AT SEA!

St John’s went to Herm for a 2-night mini break staying in one of the cottages. For those who couldn’t make it, they also arranged a coastal cruise trip.

St John’s members can’t seem to keep their feet on land!

ST MARTIN’S WI

St Martin’s President, Katherine Lau presented Denise Mabire, Hon Treasurer of St Martin’s WI, the Perkins Cup. She was honoured to win the cup, for her splendid knitting of a garment for a child.

There is always a good response from members every May for entries to be submitted for the Perkins Cup.

CÂTEL WI TRAVELS EAST

The C atel WI welcomed Tomoka Nel to their July meeting when she gave an interesting insight to the differences between Japanese and western cultures. She also explained

that there are three types of script that are used and showed members how to write their own names using one of them. Naturally some origami was introduced into the presentation and everyone was able to take home a small sailing boat.

To finish her talk, Tomoka showed off some beautiful kimonos, the oldest of which had been made by her mother for her as a young women. It took quite a time and she needed assistance to get perfectly dressed in the traditional way. The members were also intrigued by her wooden shoes and specially shaped socks.

Tomoka assured everyone that she didn't wear them whilst driving.

CÂTEL WI - OUT AND ABOUT

August saw the ladies of C atel WI go on an outing in glorious sunshine to the Folk Museum at Saumarez Park where they enjoyed the exhibition of paintings by Roseanne Guille. The exhibition is entitled "En Plein Air" and features paintings from all across Guernsey also some of Sark.

The visit was rounded off with afternoon tea at the cafe.

A CALL TO SUPPORT THE GUERNSEY CHRISTMAS APPEAL

The Guernsey Christmas Appeal is an online auction that is held throughout November. The Lots will vary from small to large, low value to luxury Items. All different kinds of experiences and services. We are looking for Items to put in the Auction and wonder if you could donate an item to make a WI Hamper/s. It could be something you have made, a jam, a craft, a Christmas cake/ Pudding, or a bought

item a bottle of wine, box of chocolates or biscuits. We will make up the hamper and people will bid to win.

Funds raised will go to help make Christmas a little easier for disadvantaged families and individuals in Guernsey. The proceeds of this Auction will go towards providing Food Vouchers, Food Hampers, Young Persons Gift Vouchers and Heating Vouchers. Distributed via Guernsey Welfare. As well as Guernsey Wooden Spoon projects supporting disadvantaged young people.

2023 Guernsey Welfare served over 500 families in need with not enough food and essentials at Christmas. This year more than ever the economy is hitting many families hard. Every pound raised really helps this service provide help to those most in need.

ISSUE – JULY 2024

It was again a busy month for Guernsey WI in June with our delegates going to the Albert Hall for the National Annual Meeting (report enclosed) as well as the Federation Chocolate Bingo fundraiser.

The new Board of Trustees had their first meeting since the AGM with Corrina taking on the Federation Chair role for another year and Fran Torode becoming our Federation Secretary and Jane Dilcock Assistance Treasurer.

Enjoy your August outings and please send in photos of what you have been up to.

A MESSAGE FROM YOUR FEDERATION CHAIR

It is with great pleasure and pride that I take up the role of Federation Chair for the 2024/2025 year.

The past three years undertaking the joint Chair role with Sharon has been very rewarding as Guernsey WI endeavours to reach a wider audience.

This year the trustees feel promotion of the WI and helping to increase membership is a key goal to ensure the longevity of the organisation here in Guernsey.

With that in mind, we have a number of initiatives to help increase the profile of the WI as well as your individual WI's.

One of these is to promote a WI each month, pay for online adverts and leaflets and help put press releases together. ***Each of our WI's is so unique and individual and we want to ensure these qualities are communicated to a wider prospective member.***

Over the next few months we shall be asking your committees to complete a small questionnaire about your WI highlighting 'who you are' along with what sets you apart from the other WI's on island. This

information as well as collaborating with your committees (as they know you best!) will help us jointly put together a plan to help promote your WI.

We shall also be looking to try and open a new WI – firstly in Alderney and then in Guernsey.

The WI is a fantastic group of women from all walks of life and I hope that over the next 12 months we can spread the word – but this can only happen with each and every one of us helping to achieve it. So, if asked to help please consider it seriously as we are only a small group and every little helps.

I look forward to visiting you over the next 12 months and working with you all.

My door is always open so if you wish to discuss something or have a great idea you wish to share please do not hesitate to get in touch.

NFWI ANNUAL MEETING – A DELEGATE’S PERSPECTIVE BY ANITA WALKER

As someone who had never been to the Albert Hall before, I have to confess that I was more excited about seeing inside it, than in actually attending the National Federation’s AGM. Accounts and minutes and all of that formal ‘WI stuff’ don’t really inspire me and I was all set for a rather long day.

I openly admit I was wrong, and it was a hugely inspiring event and one that I will remember with enthusiasm.

The theme of the year was around the WI’s campaign to end violence against women and girls. In a heart-rending talk from a former chief

prosecutor, Nazir Afzal OBE spoke about how he had become an advocate for vulnerable women and children over his career as a prosecution lawyer.

One event that stuck with him was when a young Pakistani woman who had had an affair with a white man, had gone to a police station expressing fears that her brother and cousin would kill her because of the relationship with this man. The policeman at the time had told her to go home and they would be in touch in a week or two. Sadly, she was subsequently strangled to death by her cousin, who had raped her first so that she knew ‘she had done wrong’ by dishonouring the family. Nazir subsequently convicted the brother and cousin for her murder.

This ‘honour killing’ drove Nazir to want identify the degree of the problem in the UK this represented and to raise awareness of honour crimes amongst other police stations and the government. He has spent his career fighting against these types

of crimes against women and young girls.

Nazir's impassioned speech ended with a standing ovation from the 4,000 WI members in the Hall.

This was followed by Spice Girl, Mel B MBE, who was interviewed by TV broadcaster, Victoria Derbyshire and talked about her abusive former 10-year marriage.

The theme for the next WI campaign, on dental health, achieved over 95% of the votes from members and so this will be the topic lobbied to the

UK government over the coming months.

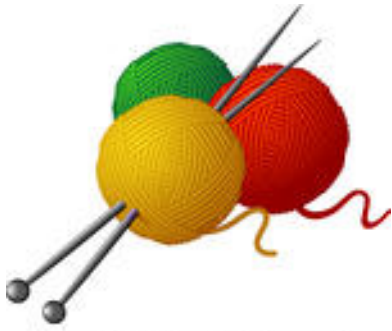

It was fascinating to see the power that our body of women, via the WI, has to effect change in the UK and the substantial lobbying group that we represent. This wasn't a side of the WI that I had ever taken particularly seriously before and it was certainly eye opening and inspiring.

NEWS FROM WI'S

BBWI WENT OUT WEST

The ladies joined forces with Guernsey Conservation Volunteers at L'Eree to help with removal of Sour Fig. The area had already been cleared of the very large pieces and BBWI were there to remove all the new shoots before they began to take the land back.

Sour Fig is very invasive & kills anything else that may grow in the same area. Wherever Sour Fig is removed, it allows native plants to regrow from the existing seeds already in the ground. A variety of native coastal plants will grow and provide food and shelter for insects and small mammals.

It was a lovely, relaxed evening with lots of jokes & laughter, especially when it came to having tea & cake (they forgot the milk!). They even got to watch the sunset. As a group, they said they would definitely help out with this again.

All in all, they filled just over a ton bag which does sound a lot, but when you think the plants are only plug size!

CONGRATULATIONS KIM LE CHEMINANT

Congratulations Kim on getting married to Steve Sholl on 31st May. It looks like it was a wonderful day.

information on what can be done to help save the bees.

The evening was rounded off with a slice (or two!) of Jane’s delicious honey cake, made in honour of the occasion (see recipe at the end of the newsletter). Jane explained that it was made with a whole jar of local honey, produced at the prison. Apparently, it had come from B Wing. It took a while to appreciate the joke...

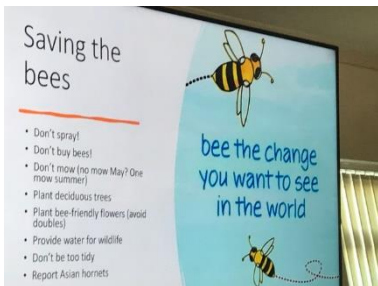

BBWI BEEKEEPING TALK

BBWI had a very informative and enjoyable meeting in June with Wayne Atkinson, a local beekeeper and member of the Guernsey Beekeepers’ Association. As well as local bees, Wayne gave them a quick tour around other bees of the world, some of which are much bigger than ours!

TRUSTEES ATTEND FIRST VIOLENCE AGAINST WOMEN AND GIRLS SYMPOSIUM IN GUERNSEY

Fran Torode and Dot Williams attended Guernsey's first Violence against Women and Girls Symposium at the Cotils on Weds 12 June.

Organised by Poppy Murray a local campaigner in conjunction with

Guernsey Police, the event was intended to provide an opportunity to hear from guest speakers from the UK and Channel Islands who are leaders in tackling violence against

women and girls across a broad spectrum of areas including policing, research and education, and building safe cities.

The event included a talk from Poppy Murray on her 'Be Lads' campaign – a pragmatic response to the question 'as a man what can I do?'. Poppy's campaign has spread from an idea in her bedroom in Guernsey to being taken up by the Metropolitan police and beyond. An excellent example of how an individual can make a difference.

The HeforShe programme <https://www.heforshe.org/en> is a UN initiative for gender equality. It is an invitation for men and people of all genders to stand in solidarity with women to create a bold visible and united force for gender equality. All UK police forces have signed up to the initiative, including Guernsey Police last year. The programme encourages men to act as Allies, in the workplace and in home life, to raise awareness of gender equality, stand up and call out when things are wrong, not be a bystander, be open minded and support others. Representatives from UK Police forces gave powerful examples of how this approach had made a difference to their organisation to everyone's benefit.

One of the biggest issues about Violence against Women and Girls is a lack of awareness of the problem. Two representatives from Jersey gave a very interesting presentation on research undertaken in Jersey, www.gov.je/vawg which must have many parallels with Guernsey. The research identified a lack of understanding and awareness of violence against women and girls, widespread experience of sexual harassment/assault, and a fragmented, male biased and 'untouchable' systems in Jersey, which fails to protect women and girls and enables perpetrators to do what they do. The recommendations being taken forward include better data capture, awareness and education as well as new legislation and training for the judiciary, family court professionals, healthcare services, police and education professionals.

It was heartening to see so many Deputies in the room, as well as others already working in this area and hopefully this will be a positive step forward for Guernsey.

JANE DILCOCK'S BEE-LICIOUS HONEY CAKE

Ingredients

250g [clear honey](#), plus about 2 tbsp extra to glaze

225g [unsalted butter](#)

100g [dark muscovado sugar](#)

3 [large eggs](#), beaten

300g [self-raising flour](#)

Method

STEP 1

Preheat the oven to fan 140C/ conventional 160C/gas 3. Butter and line a 20cm round loosebottomed cake tin. Cut the butter into pieces and drop into a medium pan with the honey and sugar. Melt slowly over a low heat. When the mixture looks quite liquid, increase the heat under the pan and boil for about one minute. Leave to cool for 15-20 minutes, to prevent the eggs cooking when they are mixed in.

STEP 2

Beat the eggs into the melted honey mixture using a wooden spoon. Sift the flour into a large bowl and pour in the egg and honey mixture, beating until you have a smooth, quite runny batter.

STEP 3

Pour the mixture into the tin and bake for 50 minutes-1 hour until the cake is well-risen, golden brown and springs back when pressed. A skewer pushed into the centre of the cake should come out clean.

thank You
FOR YOUR SERVICE

Sharon Williams - a Big Thank You

Sharon has been a stalwart of the WI for many years and has decided to step down from the Board of Trustees at the Annual Meeting in May to spend more time with Wes and going on holiday! She has not only devoted her time to making St Saviours WI a vibrant and successful WI but has also given her time to help the Federation flourish and develop.

I am sure you would all like to thank her for her dedication and enthusiasm for all things WI. She will be dearly missed at Federation level (thankfully she is still continuing on as President of St Saviours WI)

Thank you Sharon

BEST DRESSED COMPETITION

The Best dressed competition is open to all members and is a bit of fun.

Whether you are wearing a dress worn on a cruise, your Sunday best or one of your ball

gowns, why not strut your stuff!

Just register when you arrive in the lobby area and receive your number.

This competition is also open to all those members that have dressed up according to your WI film theme. Just mention this when you register.

BEST DRESSED OSCAR FILM ENSEMBLE

We know many members are going to arrive dressed according to the Oscar winning film they have selected.

We shall ask the ensemble groups to register on arrival and we will call you forward to show off your costumes.

WASHING UP – ‘TAKE OFF THE CHAINS’

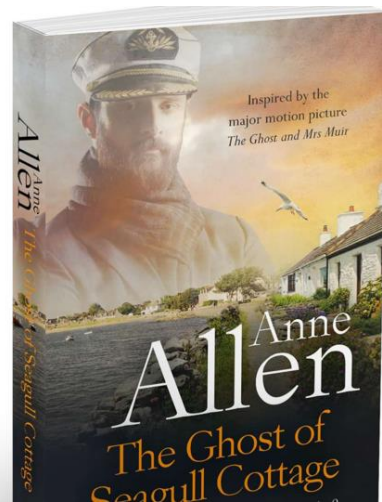

Last year we seemed to have an endless stream of cups and saucers requiring washing up – with one of our members chained

to the dishwasher all day!

This year we want to try something new and 'take off the chains'!

We are asking members to either bring their own thermos cup to use throughout the day or keep their cup and saucer to re-use.

This will reduce the need to continually wash up – thank you

ANNE ALLEN – WILL BE SELLING HER NEW GUERNSEY NOVEL AT THE AGM

Anne will be bringing a limited number of copies of her new novel 'The Ghost of Seagull Cottage' to sell at the AGM.

Hot off the press – be one of the first to read her new novel.

Anne will be on hand to sign copies of her books during the day

IF YOU HAVE A NOVEL OF ANNE'S THAT YOU WISH TO HAVE SIGNED PLEASE BRING THIS WITH YOU ON THE DAY

KELLY MAUGER- MACARONS NOT MACAROONS

So, who noticed my mistake! I have been mentioning macaroons and not macarons!!!

Who knew an 'o' could make such a difference.

Kelly will definitely be demonstrating how to make Macarons in May.

NEWS FROM WI'S

SAUSMAREZ WI

Sausmarez members were busy at their last meeting with a production line underway making bookmarks for the AGM goody bag.

friendly, but are used for convenience and economy and also a likely cause of long term health problems for those who produce them.

OUR PRESIDENT, KATHERINE LAU WELCOMED EVERYONE TO OUR MARCH MEETING – AFTERNOON TEA WITH A SURPRISE!

ST MARTIN'S WI

Caro Drake, who is in charge of textiles at Sausmarez Park Museum came to talk to St Martin's WI about manmade and natural materials. She had two beautiful dresses to show from years gone by.

She said many of the chemicals used in man-made fabrics are not eco

St Martin's members who had reached a BIG "O" this year were given a wonderful surprise! Our programme stated "Afternoon Tea" and many questions had been raised by members querying the reason but it was kept a secret by the committee!

Afternoon Tea it was! The room had been decorated with balloons, the tables were set with beautiful bone china tea services with colourful table cloths and napkins; the atmosphere was amazing. Tea was served by the committee and when one looked around the room it was such a party time. The birthday cake was made by Margaret Rayer and all committee

members had made tasty sandwiches, scones, cream and jam, together with a selection of cakes. How wonderful it was to see our members, relaxed, having fun taking time to catch up with news.

WI is all about friendship and that afternoon showed 100% how this is achieved. Taking time and making the huge effort to make all our members welcome.

Well done St Martin's!

ST MARTIN'S DONATIONS TO SAFER

The enthusiasm with which St Martin's WI members took up the call to help **SAFER** has been absolutely wonderful. At the beginning of the year, Denise had asked for contributions of toiletries, and members just kept donating goods so much so that Denise and Molly were able to fill 10 beautifully made bags, with toiletries, i.e.

toothbrushes, toothpaste, soap,

flannel, deodorant, brush/comb, hand cream, shampoo, tissues and so many other items. In addition to

the generous donations, the proceeds of one of the monthly raffles held at the WI meeting earlier in the year were donated to the worthy cause which enabled Denise to purchase any additional items.

All the bags were delivered on Friday 5th April to SAFER's team at their premises. Members of St Martin's really have to be congratulated on their extremely generous donations which will enable SAFER to ensure people in need of assistance will be looked after.

All the collection, storage and distribution of the goods was masterminded by Denise, our extremely hardworking Treasurer – well done!

ST MARTINS WI – THEATRE OUTING MONDAY 1ST APRIL 2024

Seven members from St Martins WI gathered together in the foyer of Beau Sejour on Easter Monday 1st April eagerly awaiting to attend the production of Guys and Dolls. A splendid afternoon was enjoyed by all. Guernsey is so privileged to have such wonderful talent enabling Productions of this excellence to be shown to the people of Guernsey.

BAILIWICK BELLES- HAVE BEEN OUT AND ABOUT THIS MONTH

The Bailiwick Belles monthly meeting was held @ Edible Guernsey in April as an outing.

“Edible Guernsey offer our Members the opportunity to participate in growing produce as part of a supportive community, to share their experiences with and knowledge about sustainable growing with others and to experiment with innovative growing techniques. We aspire to be an incubator, to seed the growth of new commercial ventures and expand the diversity and amount of

fresh, local and sustainable food produced in Guernsey."

If you have never been, it's definitely worth a visit.

BAILIWICK BELLES – RALLYING TO HELP AFTER GUERNSEY WELFARE APPEAL

At this meeting BBWI also did a “rally round” of food donations for Guernsey Welfare after their appeal to the general public. They also raised £72 on their monthly raffle to buy more food.

VISIT TO GUERNSEY UNDERGROUND HOSPITAL

An interesting evening was enjoyed by members of the Bailiwick Belles when visiting the German Underground Hospital.

We learnt some surprising facts for example a six year old Guernsey girl had her tonsils removed here.

It was lovely to walk around in our own time and spend as much time as we wanted absorbing the, at times, spooky ambience for example when the light was flickering at the other end of the tunnel!

ST JOHNS

After their successful fundraising event, St Johns members spent a few days in Herm. The weather was lovely and Fran even managed to get her photo of their trip on the Channel Island Weather news!

ST SAVIOURS WI

Ben and Naomi from Guernsey Seaweed visited St Saviours in April to talk about their products and give everyone the chance to sample them.

NEWS FROM NFWI

CLOSURE OF THE NFWI JUDGES TRAINING

Over recent months the NFWI have been reviewing the NFWI Judges scheme.

While there is recognition by the NFWI Board of Trustees that some members have an interest in judging and the opportunities are educational and offer personal development, it was felt that this programme no longer effectively contributed to the charitable objectives and strategic vision of NFWI contrary to organisations such as the National Association of Flower Arrangement Societies (NAFAS) who clearly state training of judges as one of their aims.

Consequently, at the March 2024 NFWI Board meeting, a decision was made to cease the LLA accredited judges training with immediate effect.

Whilst the Board recognises the pride in wearing the NFWI judge badge at events, it cannot ignore the significant reputational risks to the organisation and have therefore made the difficult decision to cease

the use of NFWI judge badge after 31st December 2024.

NFWI NOW HAS A REGULAR PODCAST

In this, our first NFWI edition, we are **exploring the challenges and opportunities presented by neurodivergence**, in our society - as experienced by some brilliant women. Our huge thanks to Pippa Simou, Angela Kirwin, & Debra Presley, for their time and generous personal story sharing.

ME, MYSELF AND WI

Me, Myself and WI Mental Health Awareness Week 13 - 19 May

Supporting your own mental and physical health is incredibly important; challenges and balancing of daily life can be, at times, overwhelming.

Everyone reacts differently and changes in the way that we think, feel, and behave vary between people and over time. It's important that we take care of our mind, as well as our body; taking a break to focus on how we feel and what we can do to get ourselves into a healthy place is vital, as well as feeling able to reach out for support if we need it.

The WI has an outstanding reputation for supporting members during times of change and uncertainty; the positive, motivational, and inspirational ways in which members support one another, both within their WIs and with fellow members across the country are inspiring and empowering. In recognition and support of this, the WI Learning Hub is proud to offer members access to the *Me, Myself & WI* programme.

Now in its third year, *Me, Myself and WI* aims to support members in raising awareness and recognising simple changes that can be easily incorporated into daily life, which can help build learning and aid better mental and physical health.

Throughout the week, members will be able to access a range of free

courses and content, that will help them explore practical strategies for incorporating self-care into daily routines and highlight its significance for overall well-being

Visit the **WI Learning Hub** during 13 – 19 May 2024, to access a range of *Me, Myself and WI* speakers, activities and resources.
